

## MAURICE ONLINE

1. The Maurice Dartigue Collection at the Gottesman Libraries, Teachers College, Columbia University:

<http://pocketknowledge.tc.columbia.edu/home.php/browse/67887>. You will first encounter a long biography, after which you will come to the names of folders, of which there are 3 ½ pages. Each successive page can be accessed by clicking "next" at the bottom of each page (each then starts with the same long bio again). Click on a folder title and it will open to a description of its contents on the right. Further access to actual content requires research permission from the school.
